GOAL

Create an attainable and meaningful goal that will impact student learning.

Have we met the goal?
Does the teacher feel confident continuing?
What are next steps?

COACHING

MAKE A PLAN

Brynn works with the teacher to make a plan to achieve the goal.

APPLY

Teachers are supported throughout the implementation process. Modeling, co-teaching, observing, and reflecting are all options for support.

LEARN

Brynn and the teacher work together to share knowledge and prepare for implementation of the plan.
